LETTER OF APPRECIATION

During visit to CMG Govt College for Women, Bhodia Khera on 18th February, 2021, I was appraised with all activities initiated for the benefits of students including library. Excellent work has been done by Ms. Neeta Samagh, Senior Librarian in the successful accomplishment of her duties. I would like to express sincere admiration for the amazing efforts put by her in setting up the College Library to give wide outreach to the students. The endless hours spent working in Library and the professionalism shown by her shall motivate the entire College faculty immensely. For that, she really deserves encomium galore and a pat on the back.

With deep appreciation for her efforts.

Ms. Neeta Samagh,
Senior Librarian,
CMG Govt College for Women,
Bhodia Khera, Fatehabad
